ABOUT THE BOOK

LEGACY OF THE WITCH

A WITCH MYSTERY & UNTAROT APP

Seeker: As societies grow increasingly fragmented, nihilism, division and hopelessness are on the rise. But there is another way—a way of mystery and magic, of wholeness and transformation. Do you dare take the first step? Our path is not for the faint-hearted, but for seekers of ancient truths...

All April wants is to start over after her husband's sudden death. She's conjuring a new path—finally getting her degree and planning her new business in bucolic Pennsylvania Dutch country. Joining an online mystery school seems like harmless fun.

But when a murdered man leaves her a cryptic message, she catches glimpses of another reality she's unwilling to acknowledge. A reality where bygone enchantments cast cryptic shadows, and the present brims with unanswered questions.

As April works to unearth the mystery, every step brings her

closer to a truth she's been evading. And to a conspiracy of hexes that may end in her demise.

Legacy of the Witch is a spellbinding, interactive tale of a woman's midlife quest to understand the complexities of her own heart. A metaphysical murder mystery for anyone who's wondered if there might be more to their own life than meets the eye...

Book 1 in the new Mystery School Series featuring the UnTarot, a deck of cards for meaning making.

ABOUT KIRSTEN

NAME PRONUNCIATION: KEARSTEN WICE

BIOGRAPHY

I believe in free-will, and that we all can make a difference. I believe that beauty blossoms in the conscious life, particularly with friends, family, and strangers. I believe that genre fiction has become generic, and it doesn't have to be.

Traditionally, women's fiction refers to stories where a woman—usually in her midlife—goes through a dramatic change. Now in my mid-fifties, I think more about the big “meaning of life” issues. It seemed like approaching those issues through a fictional mystery school would help me work out these ideas.

USA-TODAY
BESTSELLING
AUTHOR

"A high-voltage, cleverly-spun mystery that I couldn't put down. Riga Hayworth is addictive."

AMAZON
REVIEWER

"Mysteries of the Tarot is a unique blend of Tarot guidebook and murder mystery, authored by the talented Kirsten Weiss. What began as a simple Tarot guide evolved into a gripping narrative when his editor's notes turned into a mysterious tale of murder and disappearance."

KIT CAELSTO,
READER BARN

"I've been a tarot reader since the 90s, so I've read my fair share of tarot how-to works... This is a genre bending, genre blending work, one that at once seems easy to categorize-mystery, tarot how-to-and yet complex all at once... if you want an existential dive into the nature of genres, authors, and the "I" as narrator, well then this book will provide that too."

KIRKUS REVIEWS

"Weiss' many quirky ongoing characters add charm and humor."
